

Covid-19 Rules & Protocols

We are grateful to be able to play host to you, as we respond to coronavirus/COVID-19. The Bears paw team is confident we will overcome this health emergency by working together with members, players, and the community. Bears paw continues to work with Alberta and Calgary health experts to monitor concerns. We are following guidelines from these agencies and the Centers for Disease Control (CDC). Staff is taking the following steps and ask that you abide by these guidelines:

- Always Wearing masks – inside and outside.
- Observe the social distancing guideline of 6 feet of separation.
- The number of people inside the Golf Shop is being limited.
- When using a golf cart, keep one driver during the round to limit touches of the steering wheel.
- Keep your cell phone in your golf bag or pocket, not in the golf cart.
- All practice putting flags and short-game area flags have been removed to reduce touches.
- Please leave the flagstick in the hole when on the course to reduce touches.
- Flagsticks have a Caddy Cup mechanism inside the cup liners to reduce the need to touch anything.
- All bunker rakes have been removed, please smooth the sand with your feet the best you can. If your ball is in a bunker and in a footprint, divot, or other non-raked area, simply pick up the ball and place it in a smooth area to play.
- Golf ball washers on the course have been removed, we recommend carrying a wet towel to clean your ball.
- Avoid picking up another player's golf ball, golf towel, range finder or any other equipment.
- Golf carts are being cleaned, including keys, as they are staged for next player.
- Sand bottles have been removed from the carts.
- Pull cart handles are being cleaned.
- Golf shop door handles, computers, keyboards and mouse, phones, credit card machines and countertop surfaces are being cleaned multiple times daily.
- Golf shop hangers and fixtures are being cleaned daily.
- Golf shop items commonly picked up have been removed from the counter.
- Restroom counters, door handles, sinks, fixtures, partition locks, toilet handles, and soap dispensers are being cleaned multiple times daily.
- Hand sanitizer is provided in all public areas, please do not remove from their location.
- Please consider bringing you own golf pencil if you keep one in your golf bag.
- Please pay by credit or debit card, if possible
- Staff will wear gloves to reduce contact during cash transactions and when answering the phone.

Golf's outdoor environment is important to health and wellness, and we're excited to provide this amenity.
